ZUMBA - Zumba is an aerobic dance class set to South American beats. Here's what participants have to say: "A Latin based cardio workout for ANYBODY!," "A way to dance yourself to fitness, and you don't even have to know how to dance!," "The most fun you can have while you exercise, tone and lose weight," "Exercise in disguise" "You can't really define Zumba, you have to experience it!"

ZUMBA GOLD - Zumba Gold is designed for the active older adult, the true beginner, and/or people who are not used to exercising, or people who may be limited physically. The main difference between Zumba and Zumba GOLD is that Zumba GOLD is done at a lower intensity, not as fast, but it certainly is as fun! The same great Latin styles of music and dance are used!

Please note that children 12 & under are NOT permitted in Group Fitness Classes.
